

MEMORANDUM FOR THE EMB DIRECTOR

FROM : THE REGIONAL DIRECTOR  
EMB-10  
Macabalan, Cagayan de Oro City

SUBJECT : INVESTIGATION REPORT ON THE CARGO BRIDGE  
CONSTRUCTION PROJECT OF THE CITY  
GOVERNMENT OF CAGAYAN DE ORO.

DATE : May 9, 2001

Respectfully submitted is the report on the investigation conducted by technical personnel of this Office regarding the on-going construction of the Cargo Bridge Project of the City Government of Cagayan de Oro located at Upper Balulang, this City.

Initial findings showed that project developments had already commenced. Construction activities observed include the installation of a steel bridge, which will later serve as platform for the cranes and other heavy equipment to be used during the actual construction of the Cargo Bridge.

Based on records of this Office, the proponent has not yet secured the necessary Environmental Compliance Certificate as required under PD 1586. This Office hereby recommends the issuance of Notice of Violation.

For your information, record and proper disposition.
